

## ***Estate Reserve Cabernet Sauvignon***

**Vintage:** 2013

**Aroma:** Hints of white pepper and orange peel

**Palate:** The 2013 Cabernet Sauvignon Estate Reserve is rich and silky. Lavender, black cherries, cloves, menthol, orange peel and dark spices grace the explosive, powerful finish.

**The Vintage:** 2013 was nearly an ideal season, with moderate temperatures and no rain or heat extremes. The growing season started early and remained about two weeks ahead of most previous years all summer. Water for irrigation was scarce after a dry spring, but that triggered few problems and two small rainstorms in September caused few headaches.

**Harvest:** September 27 - October 12, 2013

**Brix:** 23.6

**TA/pH:** 6.5/3.82

**Bottled:** September 2015

**Released:** March 2016

**Varietal:** 100% Cabernet Sauvignon, 100% Estate grown

**Alcohol:** 15.4% ABV

**Appellation:** 100% Napa Valley

**Maturation:** 100% French Oak for 22 months bottled unfiltered & unfiltered.

**93+ Antonio Galloni**
