### June Club News

Nearly all Spring Club orders shipped in May and this was the best ever shipment experience! We had a record low number of shipments with issues... THANK YOU

**Club Accounts...** Please update your Club account with new or changed addresses, and credit card information, especially if your card has recently expired, or you have experienced fraud; log into your Member account online [HERE](#), simply call us at

1. 963-8600; we are always happy to help our Club family! *Please note that changes made after processing will reflect only on future orders (not orders previously processed)!*

**Please Pickup Your Club Orders...** All Spring Club Pick-Up Orders are ready! Please call the winery to schedule a convenient time to pick up your Club order (and maybe sneak in a tasting too!) Monday through Friday, 9am - 3pm at the office. We look forward to seeing you!

**Summer Shipping News...** Warm Weather shipping has started and is our recommendation for all orders shipping during the summer! With this strategy, orders will ship on Friday and usually arrive by the following Thursday or Friday.

Orders are shipped in cold trucks and with ice packs. Any questions, please call Sarah! 707-963.8600. Please know we sincerely want to give you the best experience possible so updated information and communication is key; we will do everything in our power to assist you!

**Please note signatures are REQUIRED BY LAW in all states for alcohol sales!**

**This cannot be emphasized enough...** Wine is NOT returnable and we don't want anyone to incur RETURN/RESHIP fees, so please consider the timing of your shipments and the many options available to ship your wine orders: ship to your office, family, or a friend (must be 21

*years of age or older), or ship directly to a UPS or FEDEX location most convenient for you. You can always manage your wine shipments online at UPS My Choice or FEDEX, where all options in your area will be available. ## **Vineyard & Winery Work**

**Vineyard & Winery News...** Raymond and Juan have been very busy finishing up suckering and Todd is back on the tractor hedging! Although this process is kinda messy, it's important to be sure the sun can nourish the developing fruit. Irrigation plays a very important role this time of the year as well. Knowing when and how much water the vineyard needs is one of Todd's specialties!

It won't be much longer before we will need to begin leaf-pulling and some other vineyard magic! Then the waiting game for harvest between us and Mother Nature begins.

***(A grape cluster in full bloom!)***

**Team news...** Raymond returns next week from a two week vacation and will be back in the vineyard. Juan has been a rockstar, covering the vineyard work, cellar work and helping Sarah get everything around the property cleaned up for private events and tastings. Richard remains busy with getting the final pertinent blends and information together needed for bottling in late August. All is good on the home front!

### **Notes from Sarah & Todd**

**Sarah & Todd...** What an incredible May! Full of fun, family, friends, travel and of course winery work! We started the month in Milwaukee for Julia's graduation from Marquette University and Mother's Day; we had so much fun! We rented a funky VRBO house in downtown Milwaukee and loved being with all the kids and their friends; we enjoyed graduation festivities, a family BBQ, some pool playing at one of the collage bars, played lots of cards with family, hosted a Pop-Up party for Club

members and moved Julia out of her apartment. It was a wonderful week! Next stop for Julia will be Creighton University in August, where she has been accepted to their Accelerated Bachelors of Nursing program... we can't believe how fast the last four years went and she's very excited about this next step. We weren't home from Milwaukee a week when we decided to make a quick trip to Omaha in search of an apartment to begin this next chapter... and yes, mission accomplished! Julia will spend the summer in Napa helping out at the winery before she leaves for Creighton and we are so happy to have her home!

Both Garret and Tess, and Harriet and Jordan celebrated their first Wedding Anniversaries in May as well... what an incredible year it has been to have our family grow and watch our children experience this special time of life! Noah is spending the next several months in New York, so it's a safe bet there will be a Pop-Up Party there sometime late August or early Fall... we'll keep you posted! In the meantime, Sarah and Todd are looking forward to the upcoming cruise, hosting our very special Club Members, introducing Anderson's Conn Valley to some new friends of the winery, and experiencing some beautiful new places!
