Vineyard & Winery Work

Vineyard & Winery News... Harvest is finished and the winemaking has started! Todd and Richard have been working hard to create some special Club only small production wines and a few new things as well. They have started getting some of the early harvested wines into barrel and they are already stunning. With small dark berries loaded with intense flavor, combined with some special winemaking techniques, we are all excited about the 2024 vintage!

The vineyard worked hard this year and is heading to bed. The leaves are turning colors and slowly beginning to fall in preparation for a nice long much-deserved rest. Our production was on par with last year and we couldn't be more pleased with the outcome so far.

Team news... Todd, Juan and Richard are busy continuing to press, do pump overs, organize and continue the flow of getting all the wines to barrel, which takes a lot of time. Raymond has been busy removing old vines that no longer produce so that when the vineyard wakes up in the spring, all its energy will be focused on the healthiest growth. George is making a plan for the vineyard's overall nourishment for the next year, which kind of keeps him out of trouble... Sarah is busy helping Members and customers with [Holiday orders](#), planning upcoming events, keeping all the boys focused and planning the 2025 Pop-Up parties across the country.

Notes from Sarah & Todd

Sarah & Todd... October was a blur! Between harvest being condensed into a fast and furious two weeks with early mornings and very long days, Club Member tastings and events, and just trying to keep up with the usual day-to-day, every day has been non-stop. Mid-October, Sarah made a quick trip to meet Julia in Omaha, NE to look at Creighton University as a possibility for what's next after her graduation next May. We also just learned that Jordan's hard work was recognized and rewarded with a big promotion, and Noah who has been traveling the world for work, has been nominated for a Grammy again.

November is already packed with travel and events so we're all looking forward to being home together over the holidays, celebrating their accomplishments and enjoying some much needed family time Christmas through the New Year! What a blessing for us!

Thank you again for all your support. It's because of you that we are honored with another nomination in Napa Valley Life's Best of 2025 for Best Estate Tasting Winery and Best Hidden Gem; please [VOTE](#) for Anderson's Conn Valley (and Todd for winemaker!) and feel free to share the link so your friends and fans can [VOTE](#) too!

Happy Thanksgiving!

Happy Thanksgiving to all our friends, fans, Cub Members and wine lovers!

As we gather around our family tables and share in the joy of the Thanksgiving season, we want to take a moment to express our sincere gratitude for each of you. Your friendship, laughter, and love of great wine have made this year truly special. Whether we've shared a bottle or a conversation, enjoyed an afternoon in the cave or spending time together at a Club event or Pop-Up Party, you've all made this journey richer and more memorable.

This has been a challenging year for many businesses and especially for the wine industry.

We are exceedingly thankful for your support, the many special moments we've enjoyed together and the many more to come—whether it's tasting new wines, trying new recipes, or simply enjoying each other's company.

Wishing you all a warm Thanksgiving filled with wonderful food, amazing Anderson's Conn Valley wines, and beautiful moments with those you love.

Cheers to friendship and gratitude from the ACVV team!

Blessings and Cheers,

Todd, Sarah, Richard, Juan and Raymond
